The Saddle River Police Department has opted to utilize Body Worn Cameras. The Chief of Police and the designated Body Worn Camera Administrator will be responsible for the management of the program. As part of the program we are making this announcement to the general public to make them aware that we are utilizing this technology. Below you will see a photograph of the body worn camera we are utilizing, as well as, an example of an officer showing where the device will typically be deployed for use. Any questions regarding the program can be directed to the Body Worn Camera Administrator.
